## ARE YOU CRAZY?

I'm not ready to just lie down and die so YOU can make a dollar!

### "ISLAMIC SUPREMACIST GROUP HOLDS FIRST U.S. CONFERENCE<sup>1</sup>

THE **KHILAFAH CONFERENCE 2009** IS SCHEDULED TO BE HELD JULY 19, 2009 AT THE HILTON OAK LAWN HOTEL. A GROUP COMMITTED TO ESTABLISHING AN INTERNATIONAL **ISLAMIC EMPIRE** AND REPORTEDLY **LINKED TO AL QAEDA** IS STEPPING UP ITS WESTERN RECRUITMENT EFFORTS BY HOLDING ITS FIRST OFFICIAL CONFERENCE IN THE U.S. **HIZB UT-TAHRIR IS A GLOBAL SUNNI NETWORK WITH REPORTED TIES TO CONFESSED 9/11 MASTERMIND KHALID SHEIKH MOHAMMED AND AL QAEDA IN IRAQ'S ONETIME LEADER ABU MUSAB AL-ZARQAWI.** IT HAS OPERATED DISCREETLY IN THE U.S. FOR DECADES. ...IT IS COMING OUT OF THE SHADOWS AND OPENLY **HOSTING A JULY 19 CONFERENCE ENTITLED, "THE FALL OF CAPITALISM AND THE RISE OF ISLAM," AT A POSH HILTON HOTEL IN A SUBURB OF CHICAGO.** ... HILTON OAK LAWN **GENERAL MANAGER RICK HARMON** SAID HIZB UT-TAHRIR USED ITS OWN NAME AND WAS OPEN ABOUT THE NATURE OF THE EVENT, WHICH INCLUDES LECTURES ENTITLED "CAPITALISM IS DOOMED TO FAIL," "**THE GLOBAL RISE OF ISLAM,**" AND THE "ROLE OF MUSLIMS IN AMERICA," WHEN IT RESERVED THE ROOM FOR THE CONFERENCE. (HARMON COMMENTED,) 'WE'RE UNITED STATES CITIZENS AND AN AMERICAN BUSINESS...' SHEIKH ABDUL QADEEM ZALLOOM, **THE FORMER GLOBAL LEADER OF HIZB UT-TAHRIR, SAYS ANYONE WHO RULES BY A NON-ISLAMIC SYSTEM SHOULD 'EITHER RETRACT OR BE KILLED...'** "

There is a difference between *Freedom of Speech*, and *Freedom on Action*. The first is protected by the First Amendment to the Constitution of the United States. The second doesn't exist. We do not have the right to commit all actions, regardless of intent or outcome. We do not have the right, for example, to kill people, nor to encourage others to do the same. Murder is illegal. Murder for hire is illegal. Encouraging others to murder is illegal. Encouraging people to join groups whose intent is to murder people is illegal.

In the U.S., these actions are illegal, yet openly trying to entice recruits for these ideologies, which are backed by these actions, is embraced – especially if there's a dollar sign attached.

And now the liberal residents of Fantasy Island, where everyone and everything is beautiful and needs only a good hug to fix their problems, are about to drag all of us down that very dangerous road, all in the name of "forward thinking" and in praise to the Almighty Dollar. *Freedom of Speech* will be confused with *Freedom of Action*. And to prove we are open-minded *and greedy* enough to accept all opinions, we will allow an action, the ultimate results of which will be murder. And we are the intended victims.

I tried to make this short to help keep my blood pressure under control, but I'm too angry. Suffice it to say that the Hilton – specifically in Oak Lawn (Chicago) Illinois, and generally at the corporate level – needs to be brought to its knees, begging our forgiveness for aiding and abetting terrorists who are intent of murdering every last one of us. This action in support of those who WILL attack the USA is treasonous, and it's totally incomprehensible.

This particular group has been likened to Hitler's Youth: Not necessarily Nazis, but run by Nazis whose job is to train recruits to grow up to become Nazis. Even if the members of Hizb ut-Tahrir aren't the terrorists, their job is to find people who will become terrorists and murderers.

July 17, 2009

And while Hizb ut-Tahrir is openly plotting our demise and the "Fall of Capitalism," they've chosen the Hilton Oak Lawn to find people to help kill us! I find it more than a little bit strange that Capitalism-hating Hizb ut-Tahrir intends to enjoy Capitalism's fruits while looking for disgruntled US citizen to murder us because we're Capitalists; murder us because we're not Islamic! How do we do it? How do we "accept" those who want us to die because we're not them? Why are we open-minded enough to accept and encourage and embrace our own closed-minded murderers? The old adage applies: *Those who stand for nothing will fall for anything.* But "fall" takes on a whole new meaning.

The conference to recruit future terrorists who intend to kill all of us is scheduled for 19 July 2009 – TWO DAYS from now. I'm encouraging everyone I know to GET ON THE PHONE, to call Harmon, and call the corporate offices of Hilton, to overrun your fax machines, to bury you under angry letters, and to tie up your phone lines.
